
Juan Morales

Data Scientist

Researcher in Visual Analytics and Human-Computer Interaction. Programming lover. Avid learner.

Personal Information

Name: Juan Morales del Olmo

Birth Date: July 18th, 1985

Homepage: `http://bit.ly/juanmorales`

Education

2009–2013 **PhD on Advanced Computing for Science and Engineering**, *Universidad Politécnica de Madrid (UPM)*, Madrid, *Graduated with honor, Cum laude.*

2008–2009 **Artificial Intelligence MSc**, *Universidad Politécnica de Madrid (UPM)*, Madrid, *pending Final Project.*

2003–2008 **Computer Science**, *Universidad Politécnica de Madrid (UPM)*, Madrid, *Grade.*
90th percentile by marks

Research Experience

2013–Present **Postdoc Researcher**, *UPM*, Madrid.
Developing interactive tools that help neuroscientist make sense of their data
Designing the architecture of the Visualization Framework to be used in the Human Brain Project, in collaboration with 3 international teams

May–Nov 12 **Visitor Researcher at HCIL**, *UMD*, Maryland.
Under the advise of Ben Shneiderman and Catherine Plaisant

Publications

9 Published papers: Most of them in JCR Q1 Journals like Neuroinformatics, Journal of Neuroscience or Frontiers in Neuroanatomy. H-Index 3. `http://bit.ly/juanMoralesScholar`

Conferences

6 Internat. conferences: Most of them are top congresses like IEEE VIS, ACM CHI or ECML PKDD. Lecturing in three of them.

Computer skills

Python	Pandas, Numpy, Scipy, Matplotlib, VTK, ITK, Qt, Django, Flask, ZMQ, Gevent, Celery	JavaScript	D3, Lodash, React, Angular, Backbone, jQuery, jQuery UI
R	Shiny, ggplot2, Statspat	C++	Qt, VTK, ITK, STD, ZMQ
Sys Admin	Linux, Docker, Nginx, Apache	Development tools	Emacs, Eclipse, Qt Creator, R Studio, Git, SVN, CMake
Database	SQL, MongoDB	Reporting	LaTeX, Sweave

Languages

Spanish	**First Language**	English	**Full professional**

Academic Experience

2014, 2015 **Data Visualization**, *University Master in Graphical Computation and Simulation*, U-tad, Madrid.
Course of 30 hours designed and imparted

2015 **User Interfaces**, *University Master in Graphical Computation and Simulation*, U-tad, Madrid.
Course of 15 hours designed and imparted

2015 **Big Data**, *University Master in Computer Engineering*, UPM, Madrid.
Teacher of Data Visualization, 12 hours

2015 **Design of Web Applications**, *Bachelor in Computer Engineering*, UPM, Madrid.
Teacher of CSS, 4 hours

Director of 2 Final Degree Projects, UPM, Madrid.

Personal Projects

2015 **Participant in ActúaUPM**, *UPM.*
StartUp competition. Accessit in the best idea fase

2011 **Participant in Visualizar'11**, *Medialab Prado.*
Programming in the project "From Extraction to Reaction"

2011 **Participant in Abredatos Challenge**, *Pro Bono Publico.*
Open Data competition

Awards

2014 **PhD Excel Contributions Award**, *Facultad de Informática de la UPM.*

2008 **Best Final Degree Project**, *Facultad de Informática de la UPM.*

2007 **Academic performance**, *Fundación General de la UPM (FGUPM).*
One per faculty, at midpoint of the grade
